

## COMP500 / ENSE501: Week 10 – Exercise:

EXERCISE NAME: *Coloured Dice*

Design and implement a program that prompts the user to press the enter key to roll a dice. The program must then output the dice's random roll with a colour ASCII art representation as follows:

```
C:\ Select C:\WINDOWS\system32\cmd.exe
Press ENTER to roll the dice!
+-----+
| 0  0 |
| 0  0 |
| 0  0 |
+-----+

Press ENTER to roll the dice!
+-----+
| 0  0 |
|   0 |
| 0  0 |
+-----+

Press ENTER to roll the dice!
+-----+
|   0 |
+-----+

Press ENTER to roll the dice!
+-----+
|   0 |
|  0  |
| 0   |
+-----+

Press ENTER to roll the dice!
+-----+
|   0 |
|  0  |
+-----+

Press ENTER to roll the dice!
```
